REGISTRATION

Registration for most classes and activities may be done by mail, fax, or in person.

Registration Procedures

1. Proof of residency is required for all programs. Adults must have a current drivers license plus a current utility bill listing their address.
2. All program fees must be paid in full at time of registration.
3. Personal checks will be accepted. A \$25 charge will be assessed if the check is returned. The amount is required to be paid in cash before participant is allowed to register for any further classes.
4. To register for a space in one of our programs, a registration form must be fully completed along with appropriate numeric program code specific to date and time of the class requesting to be enrolled in.

Governing Body

The Memorial Park District is a separate governing unit which levies its own tax to provide park facilities and recreation for the residents of the district. Innovative leadership starts with our community-elected, five member Board of Commissioners. Members of the Board of Commissioners are elected to 6 year terms and serve without compensation. Meetings are held on the 3rd Tuesday of every month at 4:30pm at the Stevenson Fitness Center board room. The public is always welcome to attend the open meetings and is encouraged to participate.

Insurance Information

The park district is unable to assume responsibility for injuries, accidents or loss of personal property occurring at programs, activities, parks and facilities. The park district does not carry hospitalization insurance for program participants. Such insurance would make user fees prohibitive. Your individual health policy must cover your medical needs.

What the heck is pickleball—and why is everyone playing it?

#200008

Pickleball is one of the fastest growing sports in the U.S. The game is played on a court about 1/3 the size of a tennis court using a modified style net, paddles and whiffle ball. It contains elements of tennis, racquetball, badminton and ping pong, which is one of the reasons it's so popular.

Pickleball

¿Qué diablos es pickleball y por qué todos lo juegan?

#200008

El pickleball es uno de los deportes de más rápido crecimiento en los EE. UU. El juego se juega en una cancha de aproximadamente 1/3 del tamaño de una cancha de tenis utilizando una red de estilo modificado, paletas y whiffle ball. Contiene elementos de tenis, raquetbol, bádminton y ping pong, que es una de las razones por las que es tan popular.
